

Dr. Kiki Ramsey

Dr. Kiki Ramsey is a renowned Positive Psychologist, ICF Master Certified Executive Coach, International Keynote Speaker and Best Selling Author. With a commitment to making a positive impact in the world, Dr. Kiki founded The Positive Psychology Coaching and Diversity Institute (PPCaDI), a leadership development firm that specializes in diversity and leadership coaching and training.

Dr. Kiki is known for her innovative approach to coaching and DEI called Positively Diverse Leadership, which is an evidence-based approach rooted in positive psychology that fosters the intentional use of strengths to help leaders build better working relationships and communication skills to become more inclusive leaders. This unique approach allows Dr. Kiki to help leaders and organizations create more inclusive and happy work cultures that foster belonging for all.

As a leader in her field of positive psychology and DEI, Dr. Kiki has worked with a diverse range of clients, including top-level executives in Fortune 500 organizations and business owners, coaching and delivering keynote addresses for corporations, conferences, and events around the world. Dr. Kiki's dedication and expertise have earned her the recognition of being named Top 50 Women Leaders in Georgia in 2023 by Women We Admire.

Dr. Kiki's personal journey has played a significant role in shaping her professional path. After growing up with a mother who was addicted to drugs and becoming a teenage mother at 17 years old, she understands the importance of pursuing success and feeling included.

Dr. Kiki holds a Master's in Social Work, a Master's in Positive Psychology and a PhD in Business Psychology. Combining her background and her own life experiences, Dr. Kiki equips leaders and organizations with the necessary tools and strategies to navigate their own challenges and achieve remarkable results and empowers them to take action, embrace their potential, and create their happiness.
